

Qurush qube

You'll need 16 of these for a 2-player game and 25 of these for a 4-player game.

Cut on the outer edge lines. Cut out holes for the tabs to fit in.

Fold on the dark black lines.

Insert tab a into slot a, and so on. Do this in the order that works best for you.

Qurush (c) 2007 Jonathan A Leistikio
